RULES OF THE CONTEST "Savun"

These rules are designed for participants and organizers, briefing to the participants of Olympiads in schools.

Contest tasks contain a set of questions with a choice of answers. Each proposed setting the appropriate option must be specified using the "show". To host the Olympics is given 60 minutes.

When filling in the form of answers, the participant must strictly observe these rules.

Rules of the Olympic Games

- Competition is held at an educational institution, as prepared for this classroom;
- Students are placed in one of the parties;
- On the table should be a pen with black paste and pencil (hardness T, TM), a sheet of blank A4 paper;
- The form is filled by the pupil;
- The student must fill in the form legibly write his first and last name from the first position (cell). Extra cells fill should not be;
- The teacher must complete the reporting form correctly, specify the full data respecting the boundaries of the form.

It is recommended that participants first perform the tasks that seem simple and not too long to engage in the same task, if not impossible.

Olympics held only considered after completing the reporting form and send it to the Selection Committee.

It is strictly forbidden

- To make in the fields of the form, regardless of the form fields, or fields of any records and notes that do not belong to the contents of the form fields;
- Parties to use reference books, the Internet and the help of the teacher;
- Used for filling in color instead of black handle, means for correcting the information entered in forms ("corrector", etc.);
- Bend the answer sheets;
- Use books, abstracts, technical facilities, etc., as well as to communicate with other participants during the Olympics;
- Carry out the work in collaboration with other students or with assistance.

Ensuring reliability and objectivity of the competition results

In order to ensure reliability and objectivity of the competition results, the Organizing Committee monitors compliance with the rules by all participants. As a result of this monitoring may be disqualified (excluded from the list of participants) as individual students or an entire parallel schools, which committed gross violations of the rules of the competition. The decision to accept the disqualification of the organizing committee based on the analysis of test results.
